SUBJECT: Fargo-Moorhead Metro Flood Diversion Project - Reed Township Meeting

Reed Township, North Dakota
c/o Albert Frisinger
5805 County Road 17 North
Harwood, North Dakota 58042

Dear Township Officials:

Thank you for your invitation to attend a township meeting on February 14, 2012, to discuss the Fargo-Moorhead Metro flood diversion channel project. In preparation for this meeting, we have prepared the attached series of maps to show existing inundation and inundation with the diversion project in place. One set of maps show the effects of a 100-year event on the Red River and the other set shows the effects of a Maple/Sheyenne River 100-year tributary peak. We hope these maps are useful to you and can assist with clarifying the potential benefits to Reed Township with the diversion project in place.

The point of contact for this action is Terry Williams, Corps of Engineers Project Manager, (651) 290-5517 or terryl.l.williams@usace.army.mil.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron M. Snyder".

Aaron M. Snyder, PMP
